REACH SVHC Statement – Declaration of compliance

Dear Valued Customer,

The duty to provide information within the supply chain according to REACH art. 33 (1) and 33 (2) for consumer information is valid for Substances of Very High Concern (SVHC) in case the concentration of the substance exceeds the value of 0.1 mass percentage (w/w), relating to the article.

We want to confirm that the chemical products we use (and therefore also the yarns we manufacture) do not contain substances on the SVHC Candidate List published by the European Chemicals Agency in its latest update of 21 January 2025. (<https://echa.europa.eu/pl/candidate-list-table>)

We confirm that all substances we use are fully compliant with Regulation (EC) No. 1907/2006 (REACH).

Our statement is based on the present state of our knowledge and on current legal status.

For further questions please contact us at any time.

Yours sincerely
